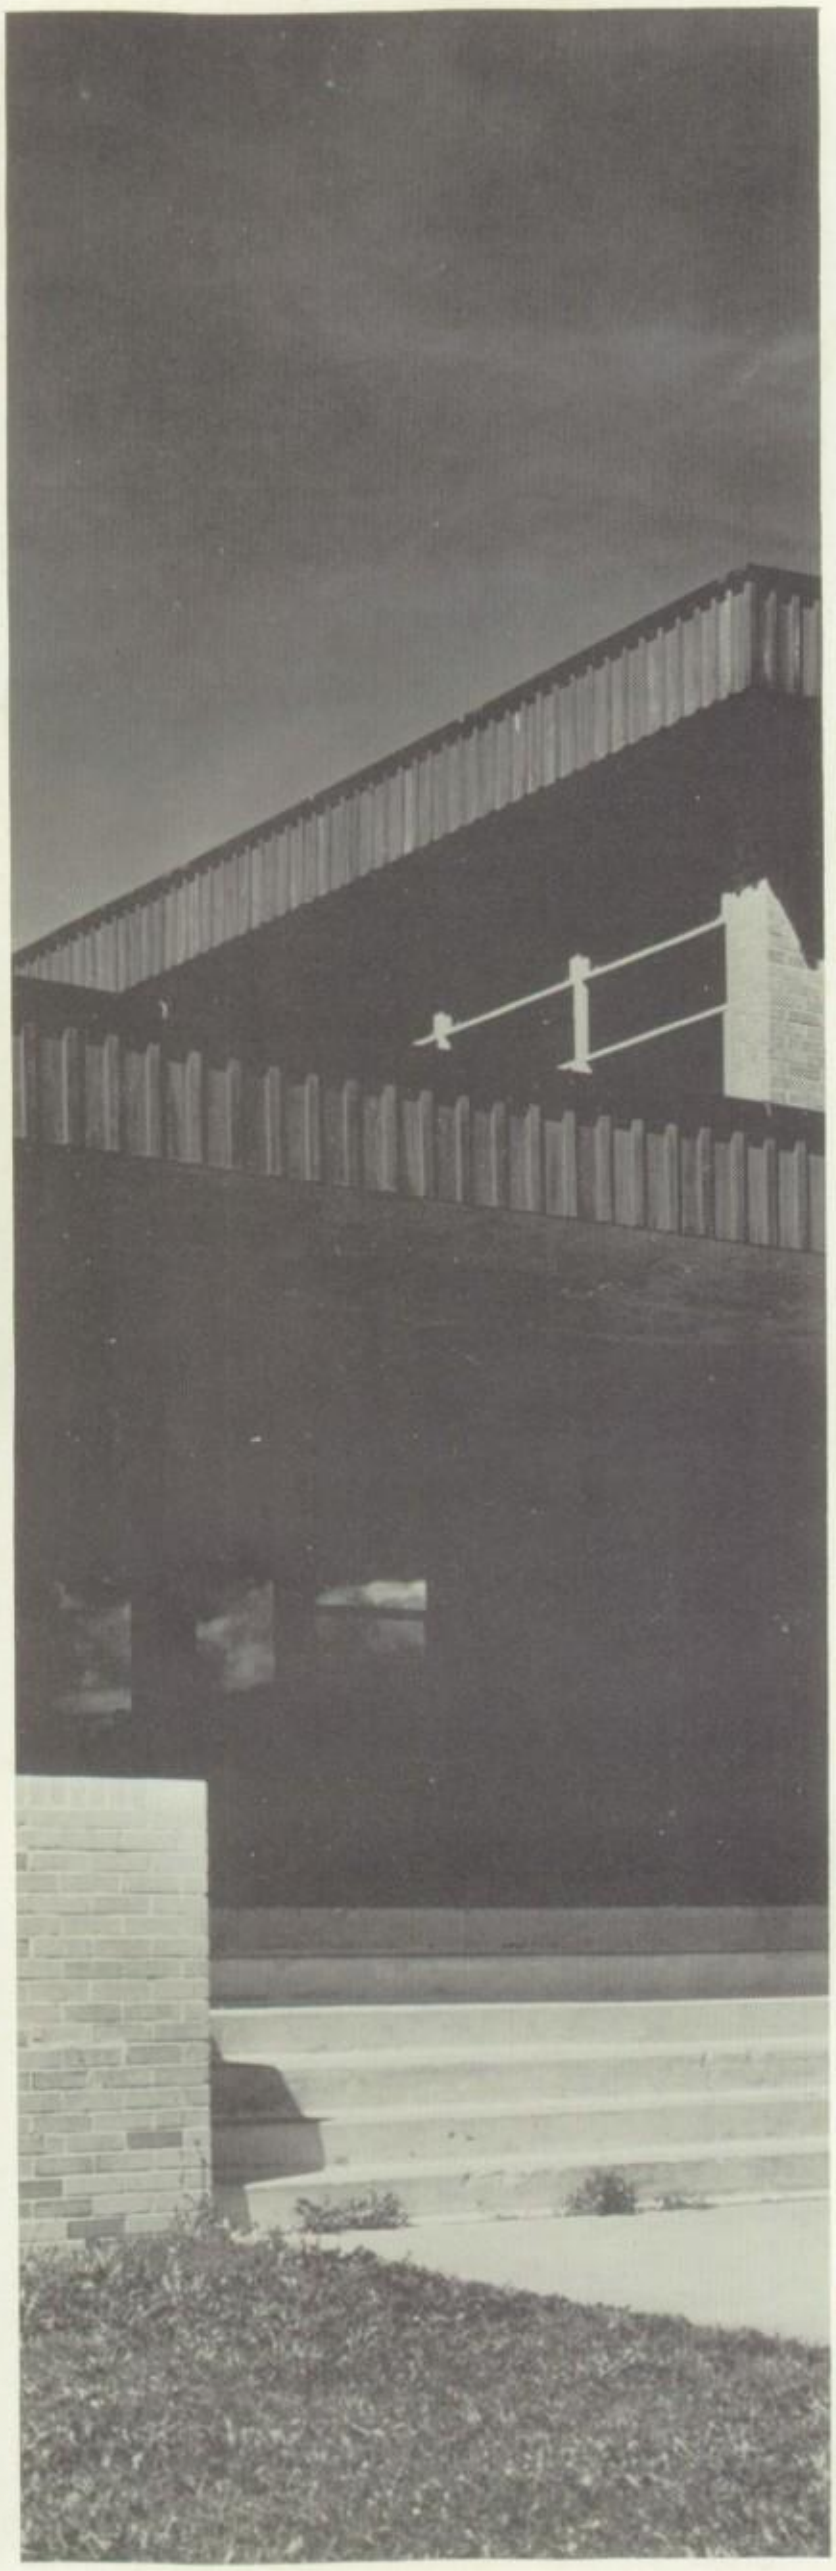
THE

EMERALD

1961

It is in education more than anywhere else that we have sincerely striven to carry into execution "the Great American Dream": The vision of a longer and fuller life for the ordinary man, a life of widened freedom, of equal opportunity for each to make of himself all that he is capable of becoming.

JOHN DEWEY



DEDICATION

TO THE STUDENTS

Many American youth look upon education merely as a tool of the business world, necessary to get ahead and succeed in life. However, education is much more than an instrument of material gain. It is an intellectual experience, which once acquired cannot be taken away. Education is the way to become acquainted with the best that has been said and done in the past, to better the present, prepare for the future, and fulfill "the Great American Dream." It is the road a man takes to find happiness, through fulfillment of himself and service to others.

L. H. Rouse

Principle

ASSISTANT PRINCIPAL W. NESHEIM
Two men vitally important to the functioning of our school are Mr. L. H. Rouse, our Superintendent and Mr. Nesheim, our Assistant Principal. Mr. Rouse has been with our school since its first year, he started as teacher and assistant principal. Mr. Rouse's task is carrying out good public relations, supervising the operation of the school and providing the best education possible for the students. Mr. Nesheim has as part of his duties the scheduling of classes and the handling of disciplinary matters.

OFFICE STAFF, LEFT TO RIGHT: Mrs. J. Richardson, Mrs. R. Hopton and Mrs. Eleanor Pidgeon. It would be impossible for a school to operate smoothly without the aid of an efficient secretarial staff. We are particularly fortunate to have an excellent staff. Mrs. Eleanor Pidgeon serves as bookkeeper-secretary and has in her charge all financial records and activity accounts. Mrs. J. Richardson and Mrs. R. Hopton share the "counter work" and secretarial work and operate the switchboard. Both Mrs. Richardson and Mrs. Hopton assist the teachers with typing and duplicating as well as doing much work for the Guidance Department.

SCHOOL BOARD

LEFT TO RIGHT, STANDING: Mr. Brennan, Mr. Hubbard, Secretary; Mr. Parker. SEATED: Mr. Moran, Mr. Clow, Mr. Chard, President; Mr. Schroeder.

We, the students of Grayslake High School, wish to express our thanks for the efforts you, the members of the Board of Education, have made toward improving our school. In doing so you have broadened our interests and abilities by expanding the curriculum and enlarging the physical plant.

Guidance Department

The guidance department of G. C. H. S. is responsible for aiding the students in selecting their academic program and future vocation. They also help students with any other problems which may arise during the year. Besides their responsibilities in the guidance department, each member has a regular teaching schedule.

The student body wishes to thank the girls for their contribution to the music department. The Chorus is greatly appreciated and enjoyed by everyone.

Hall Monitors

The hall monitors are the students who use their study halls to enforce school rules, check passes, set an example for proper behavior in the halls, bring visitors to the office, and collect absence slips. This year, for the first time, the hall monitors were chosen by a Hall Monitor Advisory Board, consisting of the Junior and Senior class presidents and under the supervision of the Student Council.

The hall monitor captains are in charge of collecting tardy slips and supervising the other monitors.

Library Club

The Library Club is a service organization. Our club is composed of the students who are or have been student librarians. The task of circulating books and magazines and keeping them in order is a large one and the students librarians are responsible for these and countless other things that must be done to operate the library efficiently. Needless to say, Mr. Bennett is their faculty sponsor.

The office workers are invaluable helpers, whether working in the bookstore or in the office. In the bookstore they handle the sales work and keep the supplies in order, while in the office they help with such routine but necessary chores as helping with records, mail, and making out passes. They also work in the guidance office with filing and scoring tests. The Faculty, student body, and administrators, appreciate the time and effort these girls put into their work.

1960-1961 WRESTLING RESUME

Even though the record for this year's wrestling squad is very unimpressive with no wins and ten losses in conference competition, the effort put forth, the high standard of sportsmanship displayed and the highest degree of morale was most impressive.

This was our first year in the interscholastic competition in the sport of wrestling but with the high interest shown toward this new, fast growing sport there is no doubt that Grayslake will be heard from in wrestling competition in the near future.

Grayslake fielded a young, inexperienced basketball team this season that showed promise of better things to come. The varsity squad contained only three Seniors. Bill Baker, Joe Certa and Chad DeZurik. These boys were supported by Junior Don Hawkins, Brian Melin, Bob Parker, Bob Pickett, Dick Rockenbach, George Weller, and Denny Williams, Craig Aldgerton, Sophomore, rounded out the squad.

The winning record was not impressive but the team worked hard and finished in a tie for 4th place in the Conference with a 5-9 record.

Denny Williams was elected by his fellow players as honorary captain and Don Hawkins was selected as the most valuable player.

This year the annual turnabout dance, Twirp, sponsored by the Girls' Club, was held on Friday, November 18. The theme was Black Magic, and, in keeping with this, a king of the dance, Mr. Wizard, was chosen from among the senior boys. Howie Sorenson was Mr. Wizard, and the members of the "court" were Ed Sheehy, Leon Wrona, Tom DeMeyer, and Chad DeZurik. Ken Cognac and his band provided the music and the Girls' Club provided the refreshments.

THE JUNIOR PROM

Months of careful planning, preparation, and money-making, make the Junior Prom the biggest social success of the school year. Early in December arrangements are made for the band. The theme is selected during February and immediately the decoration committee begins planning. Refreshments, servers, tickets, and clean-up committees begin planning. The week before is hectic with all that last minute rush. All the work and worry seem worth-while tho, when the gym is transformed into a Soft Southern Breeze. This year's Prom Queen was Sally Martin.
